1. Organisational history

Established in 1993, formerly known as The Adolescent & Children's Trust (TACT), TACT is the UK's largest charity and voluntary agency providing fostering and adoption services. Our core work involves providing high quality and well supported fostering or adoptive families for children and young people across England, Wales and Scotland. We campaign on behalf of children and young people in care, carers and adoptive families.

TACT is governed by a Board of Trustees with 11 members. The Board has ultimate responsibility for directing the affairs of the charity, ensuring that it is solvent, properly run and delivering on its charitable objectives. In addition to meeting bi-monthly, a smaller number of the Trustees sit on two sub committees alongside TACT staff; the Safeguarding & Children Services Committee and the Business & Remuneration Committee. The Board delegate day to day leadership of the organisation to the Chief Executive Officer.

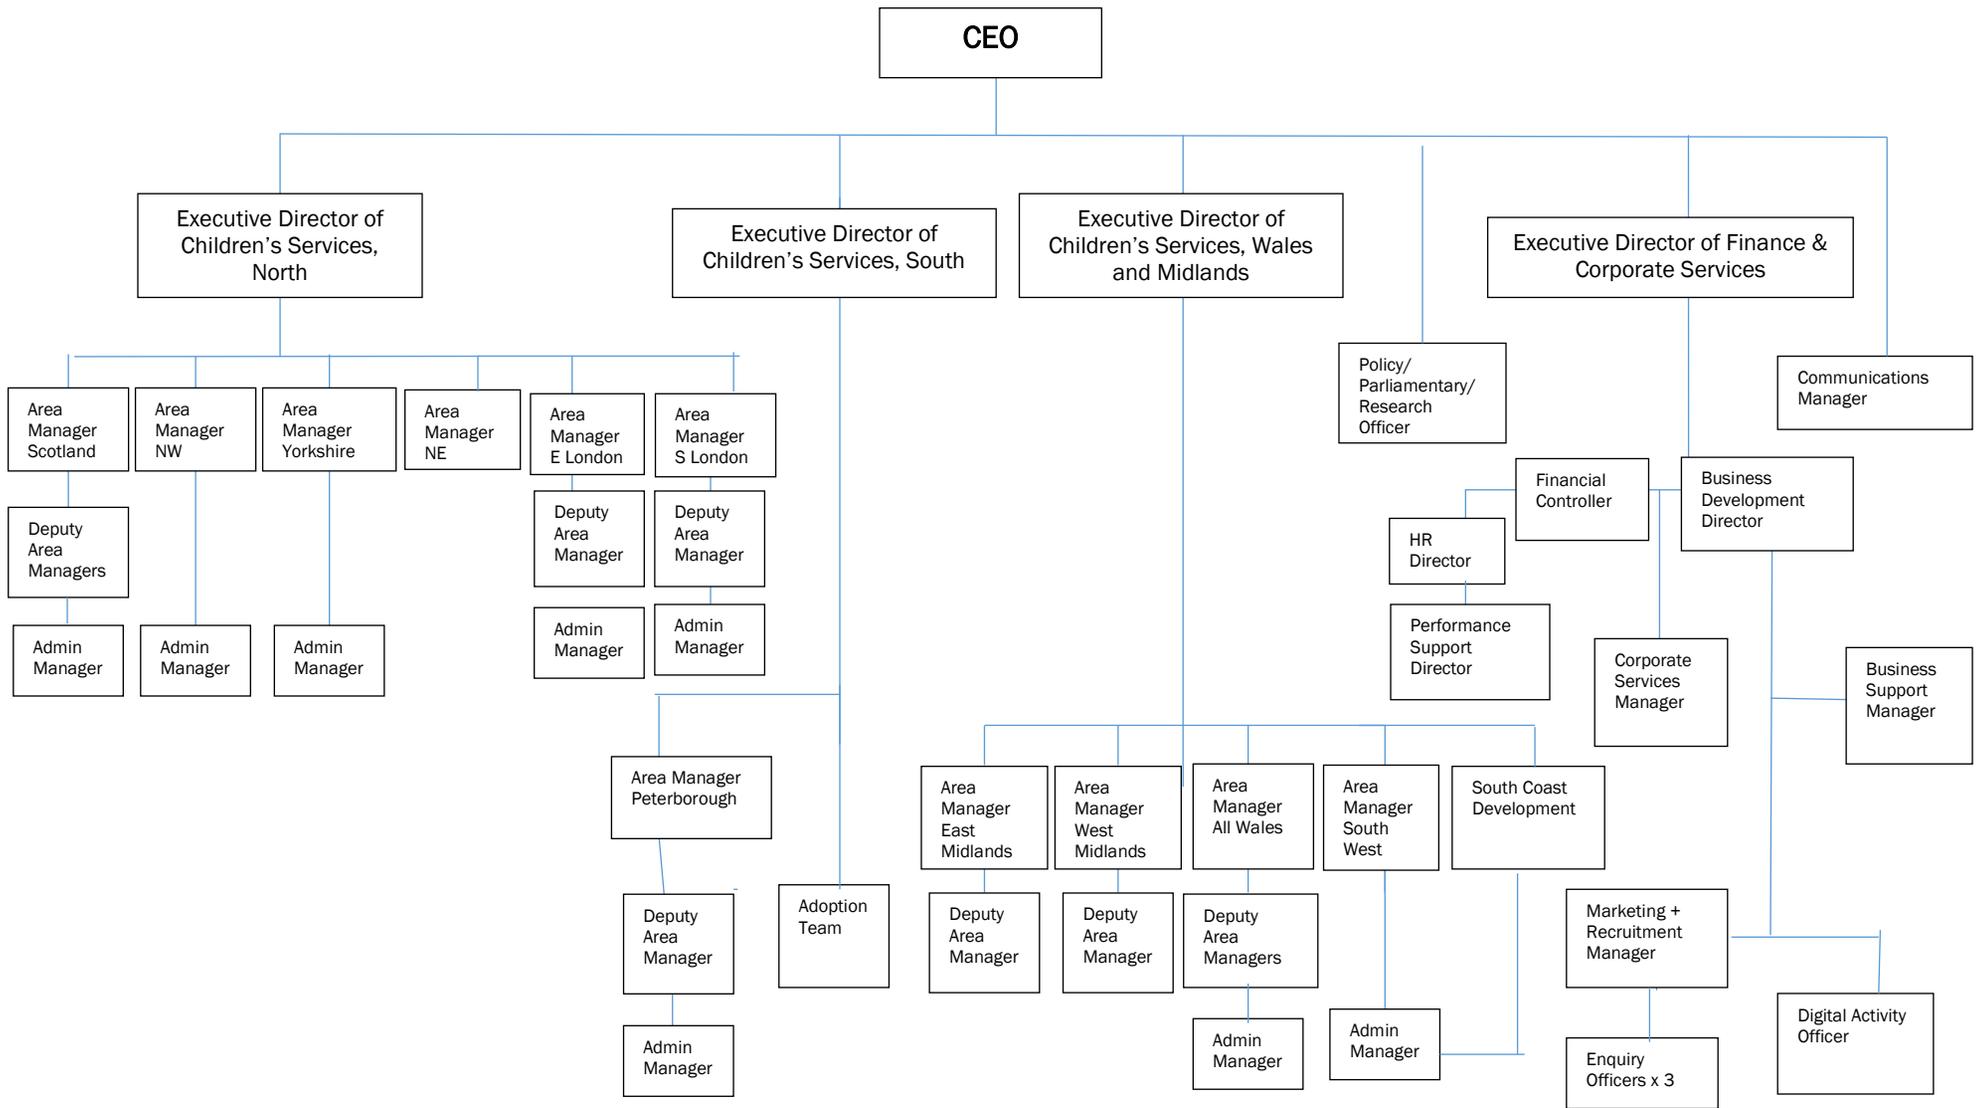

TACT's head office is based in Hither Green, London. It includes the corporate functions of finance, human resources, children's service and quality, external affairs and marketing. It is also the office of the Chief Executive and Executive Directors of Finance and Corporate Affairs, Children's Services & Quality and Policy, Communications and Fundraising.

Services are provided from 10 area offices for fostering, one of which also includes adoption. These are; East London, Bristol (covering Bristol & South West), Neath (covering all of Wales), Liverpool (covering North West), West Midlands (which is also where the Business Development team are based), Kettering (covering East Midlands), Leeds (covering Yorkshire, Humberside), Edinburgh (covering Scotland), South London (covering South London, Kent and the South Coast), Gateshead (covering the North East). We also have a registered adoption agency based in London.

We are currently expanding our service geographically in a number of areas. We are expanding Bournemouth and Poole areas under the South West office and Brighton, Portsmouth and Weymouth under our South London office. In the East Midlands we are expanding into Nottinghamshire and Derbyshire, and in the North West we are expanding into Greater Manchester. We are also have a development worker dedicated to expanding services South Yorkshire under the Yorkshire office. In Scotland we are expanding through Dundee and up the East Coast to Aberdeen. These expansions are being closely supported and overseen by our Business Development Unit.

TACT have also been chosen to run Peterborough's permanency services (including adoption and fostering services). The contract began on the 1st April 2017. Ofsted are already aware of this and an advisor has been appointed.
